HOUSE NUMBERS IN COMPLIANCE

As a reminder from the Code Enforcement Office, home owners/landlords must be in compliance with the display of address numbers on your home. Please get your house numbers up to code.

This is an important step to make the job of locating homes easier. First Responders, Contracted Workers, Sangaree Crew, and your guests benefit from being able to see you home numbers clearly.

Per the ordinance (Code §56.69), **Houses are to display addresses with 4" contrasting numerals and have 3" numbers on their mailboxes. Numbers blocked by decoration or plant growth are considered Non-compliant.** Thank you to those who have worked to come into compliance. Code Enforcement officials will continue to work in the community to make sure all homes come into compliance of this ordinance.

RESIDENTIAL TRASH SERVICE CONTRACT UP FOR RENEWAL

Trash service in Sangaree will begin a new contract on **July 1, 2021**. The new contract period is up for bidding. The provider is not known at this time. There *may* be changes to service *and* schedules. Information and updates regarding any changes will be made available in a timely manner before the start of the new contract. As a part of Berkeley County, Sangaree works with the appropriate offices regarding the waste contract in Sangaree.

Improvements Continue at Sangaree Park

Check with your SSTD Commissioners for more details as plans are being made.

Sangaree Parkway Beautification

The Sangaree Parkway is also undergoing beautification with the addition of various trees on different islands of the parkway. We're looking forward to Spring and watching the trees grow!
