Debris Guidelines to Help You and Your Community

Guidelines have been established in Sangaree to provide services to residents in a safe and efficient manner for residents as well as the Sangaree Crew. Please observe the following guidelines to help your neighborhood stay nice, maintainable, and green spaces usable. Please do not block trash carts, bulk items, yard debris, limbs, etc. on your service days. If service vehicles and equipment cannot access your containers, your neighbor's containers or debris because of your vehicles or guest vehicles, you will not be serviced. If you are working on large projects and have any questions, please call the office **before** your project begins. 843-871-9720

Use of Household Waste Carts

Household waste carts should contain regular household waste **ONLY**. Construction Debris, Yard Debris, Landscaping materials, furniture, etc., should **NEVER** be placed in the provided waste cart. If such items are found in the cart, it will not be emptied. Please do not leave trash carts at the curbside after service.

Proper Placement of Limbs for Collection

This service is provided for Sangaree residents as you trim and maintain your trees on your property. The service **begins** on Mondays and continues until all of Sangaree is complete. Please follow the directions listed below for service. **ALL debris for chipping MUST be at curbside no later than 7:00AM Monday morning.**

Limbs NOT exceeding four inches in diameter will be collected and chipped. Homeowner/Landlord must cut out forks and stack in an orderly pile with the cut ends facing the street. PLEASE DO NOT throw limbs in a heap. This creates an unsafe work site for the crew.

Do not pile limbs on the street or block the right-of-way. Do not place trunks, logs, or root balls out for collection. These items will not be removed.

Limb piles obstructed by parked vehicles or inappropriate debris will not be serviced. This could result in delays until service begins the following week.

Debris Guidelines to Help You and Your Community (cont.)

Yard Waste includes plant material removed from **YOUR YARD ONLY**. Such items include grass clippings, leaves, pine needles, pinecones, and trimmings from plants. Bricks, loose dirt, treated wood, concrete edging, stones/rocks are **NOT** considered Yard Waste and must be disposed of by the owner/landlord.

Yard Waste **MUST** be placed in a reusable container CLEARLY MARKED YARD DEBRIS that can be visible to the approaching service vehicle. Recyclable paper bags may also be used. Plastic bags are **NOT** permitted. Contained loose yard waste cannot exceed 65 pounds each.
