**PLEASE DO NOT THROW DEBRIS OVER YOUR FENCES,
INTO DRAINAGES DITCHES, INTO GREEN SPACES, ETC**

This has become an increasing issue for your neighbors, Sangaree Crew, proper function of drain systems that are in place throughout Sangaree, and more. Discarded items such as fish guts, oyster shells, furniture, lumber, yard debris, tree debris, trash, and more are causing problems within Sangaree with regards to blocking drains and water flow in ditches, negative odors, damage to equipment, unsightliness, and most important - injury to crew. This happened when a shard from an oyster shell hit a crew member. Many services are provided for removal of items such as yard debris & branches, food & household waste, and bulk items. Simply put these items at the curbside on the appropriate days. If you have an item that is not eligible for pick-up, it can be taken to any one of the Berkeley County Convenience Centers available. The closest one is located at 606 Oakley Road in Moncks Corner, just 10 miles away. Thank you for your attention to this important issue.

Debris Guidelines to Help You and Your Community

Guidelines have been established in Sangaree to provide services to residents in a safe and efficient manner for residents as well as the Sangaree Crew. Please observe the following guidelines to help your neighborhood stay nice, maintainable, and green spaces usable. Please do not block trash carts, bulk items, yard debris, limbs, etc. on your service days. If service vehicles and equipment cannot access your containers, your neighbor's containers or debris because of your vehicles or guest vehicles, you will not be serviced. If you are working on large projects and have any questions, please call the office **before** your project begins. 843-871-9720

Use of Household Waste Carts

Household waste carts should contain regular household waste **ONLY**. Construction Debris, Yard Debris, Landscaping materials, furniture, etc., should **NEVER** be placed in the provided waste cart. If such items are found in the cart, it will not be emptied. Please do not leave trash carts at the curbside after service.

Proper Placement of Limbs for Collection

This service is provided for Sangaree residents as you trim and maintain your trees on your property. The service **begins** on Mondays and continues until all of Sangaree is complete. Please follow the directions listed below for service. **ALL debris for chipping MUST be at curbside no later than 7:00AM Monday morning.**

Limbs NOT exceeding four inches in diameter will be collected and chipped. Homeowner/Landlord must cut out forks and stack in an orderly pile with the cut ends facing the street. PLEASE DO NOT throw limbs in a heap. This creates an unsafe work site for the crew.

Do not pile limbs on the street or block the right-of-way. Do not place trunks, logs, or root balls out for collection. These items will not be removed.

Limb piles obstructed by parked vehicles or inappropriate debris will not be serviced. This could result in delays until service begins the following week.
