Debris Guidelines to Help You and Your Community

Guidelines have been established in Sangaree to provide services to residents in a safe and efficient manner for residents as well as the Sangaree Crew. Please observe the following guidelines to help your neighborhood stay nice, maintainable, and green spaces usable. Please do not block trash carts, bulk items, yard debris, limbs, etc. on your service days. If service vehicles and equipment cannot access your containers, your neighbor's containers or debris because of your vehicles or guest vehicles, you will not be serviced. If you are working on large projects and have any questions, please call the office **before** your project begins. 843-871-9720

Proper Placement of Limbs for Collection

ALL debris for chipping MUST be at curbside no later than 7:00AM Monday morning.

Limbs NOT exceeding four inches in diameter will be collected and chipped. Homeowner/Landlord must cut out forks and **stack** in an orderly pile with the cut ends facing the street. PLEASE DO NOT throw limbs in a heap. This creates an unsafe work site for the crew.

Do not pile limbs on the street or block the right-of-way. Do not place trunks, logs, or root balls out for collection. These items will not be removed. Limb piles obstructed by parked vehicles or inappropriate debris will not be serviced. This could result in delays until the following week.
